

Israel and CU:

Global Leaders Working Towards A Greener Future

Gil Artzyeli

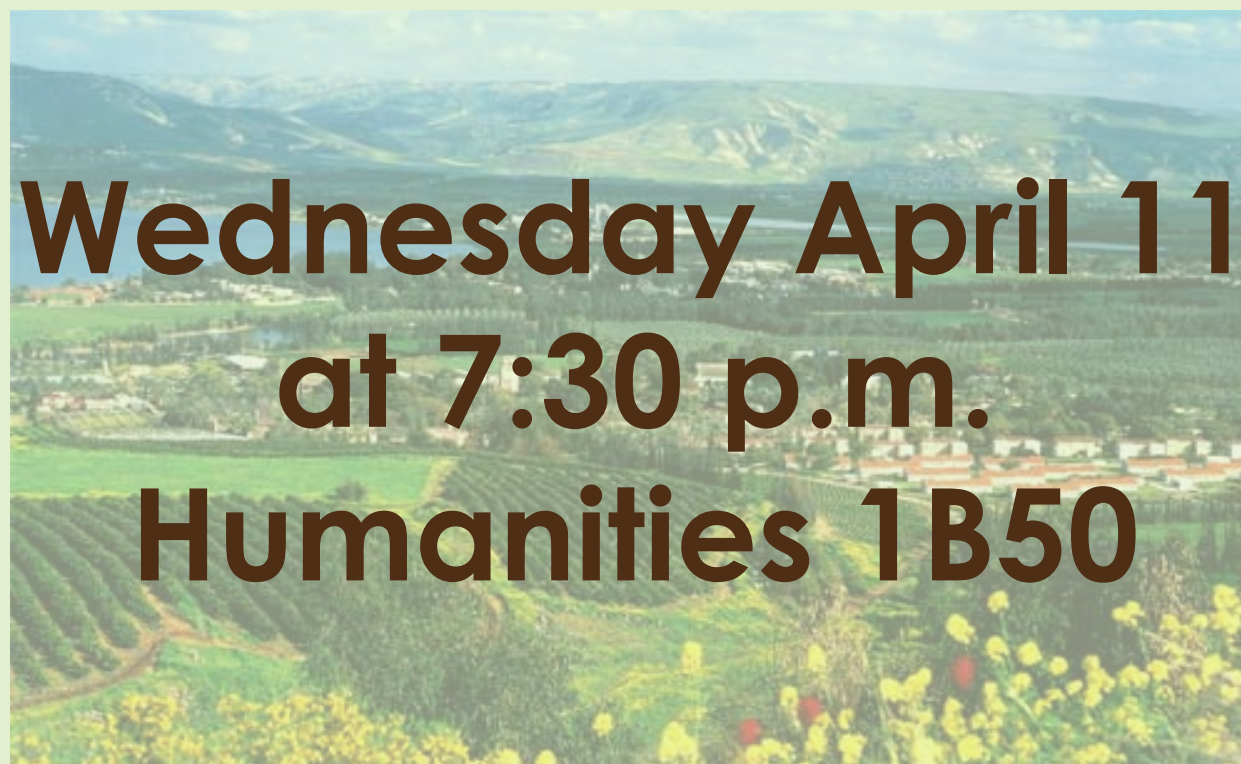

Come hear the Deputy Consul General of Israel, Gil Artzyeli, and leaders from CU engage the student body and Boulder community about the global leadership of Israel and CU in environmental technology.

Topics will include:

- renewable energy
- water treatment
- agricultural development
- clean-tech businesses
- environmental economics
- job opportunities

Don't miss this opportunity to hear about the businesses of tomorrow!
